Dear Ms. Bacon:

This letter is being sent on your suggestion pursuant to our telephone conversation of March 29, 2003.

Purpose of this letter is to respond to your letter of March 18, 2003.

Reference - October Quarterly Report (7/1/02-9/30/02)

In our conversation I indicated to you that our software is programmed so that each campaign is assigned a different letter. The 2002 campaign was assigned the letter "D" and the 2004 campaign was assigned the letter "E".

I have taken the liberty to copy the list of contributors which you sent to me that appear to have overcontributions. The contributions, however, spanned both "D" and "E" campaigns and when this is considered the contributions fall within the \$1000 per election limit. I have indicated on the page those contributions which were originally entered for the "E" (2004 campaign.)

Some modification of our software program may be in order, eg space to put a memo, however, I have not heard of any change as yet.

Thank you for your help in this matter. If you have any further questions I can be reached at 609-267-8811.

Sincerely,

Patricia M. Walker
